

## Online Examination

The applicants will be required to give an online examination at the end of the 2 months duration, which will consist of Multiple Choice Questions (MCQs). The Online Examination will be of 100 marks. The dates will be notified by FICCI.

## Grading Methodology

The score of the online examination will be taken as final result and accordingly Grade will be assigned as per the following scheme:

Grade	Marks
A	80-100
B	65-79
C	50-64
Reattempt	Below 50

The online examination would have 100 MCQ's to answer and the exam would be conducted online only. The participants would be able to skip a maximum of 20 questions while answering the 100 MCQs.

The participants need NOT to go to any examination venue. They could give the online examination from home, office or cyber café anytime during the two days, as announced.

Established in 1927, FICCI is the largest and oldest apex business organisation in India. Its history is closely interwoven with India's struggle for independence, its industrialization, and its emergence as one of the most rapidly growing global economies. FICCI has contributed to this historical process by encouraging debate, articulating the private sector's views and influencing policy.

A non-government, not-for-profit organisation, FICCI is the voice of India's business and industry.

FICCI draws its membership from the corporate sector, both private and public, including SMEs and MNCs; FICCI enjoys an indirect membership of over 2,50,000 companies from various regional chambers of commerce.

## About IPEC

India is fast grabbing the position of hub of innovations which helps the country to successfully sustain global competition. It is therefore need of the hour for India to have quality IP professionals who can join the bandwagon of not only identifying country's IP assets but also facilitate its adequate protection.

Intellectual Property Education Centre (IPEC) has been established by Intellectual Property (IP) Division at FICCI.

The Centre is established to provide quality IP Education with an aim to generate pool of IP skilled professionals.

# Online Certificate Course on Competition Law & Intellectual Property Rights (IPComp)

## Introduction

Federation of Indian Chambers of Commerce and Industry (FICCI) has started an Online Certificate Course on Competition Law & Intellectual Property Rights (IPRs).

## Objective of Course

The objective of the course is to make students and professionals learn about complex international legal environment in which multinational corporations and businesses operate. Through several case studies, the course introduces some practical legal concepts, pitfalls and compliances that are needed by today's businesses to comply with Competition Law, IPRs and their legal linkages.

This advance course provides dual benefits of learning Competition Law & IPRs challenges faced by Corporations when they expand in an organic or non-organic manner into new territories, markets and products.

## Course Coverage

Course Coverage includes topics such as, Introduction to Global Competition Laws (Anti-Trust), Competition Laws in India, Main Features of Indian Competition Law, IPRs for Businesses, Common Goals of IPRs and Competition Laws; Conflict between IPRs and Competition Law; Resolving conflict between IPRs and Competition Laws; Resolving conflicts for Patents, Trademarks, IPR Licensing, Model Contracts, Case Studies.

## Importance of course

Any business and legal decision of a modern day corporations are intertwined. As distinction between roles in the office of CEO and General Counsel diminishes, it is important to understand and learn the complex legal environment created due to laws such as IPRs, Competition Laws (Anti-Trust) and their interface. With opening of Indian markets in almost all sectors, the present course teaches on aspects of how the modern day businesses protect and comply with IPRs and Competition Laws.

## Course Methodology

The Conduct of the Online Course would be divided into 2 stages:

Stage 1: Study Material to be provided to students downloadable in PDF file. FORUM to enable participants to raise queries to IP Expert and also to interact with other participants. The queries raised by participants would be responded by IPR Experts.

Stage 2: Online Examination and issuance of certificates.
