ABOUT THE INSTITUTE

“Symbiosis” means the interaction between two different organisms living in a close physical association. The idea of “Symbiosis” is nurtured on the Vedic principles of “Vasudhaiva Kutumbakam” which means the 'World is One Family'. The institute has always believed in nurturing the young minds to make them ready for a better tomorrow. Reliance has been placed on a student-centric philosophy which leads to innovation in teaching and learning, student affairs, academic programs, and health care. Symbiosis Law School, Hyderabad (SLS-H) was established in the year 2014 and has now successfully blossomed into one of the premier law schools. It has been catering to the higher education of diverse group of students inheriting splendid novelty, dynamism, and excellence. Symbiosis Law School, Hyderabad is founded on pillars of expertise, justice, and service and is committed to impart quality legal education conforming to acclaimed International Standards.

ABOUT THE CENTRE

The Centre for Intellectual Property Research and Advocacy- CIPRA is an integral part of Symbiosis Law School, Hyderabad established with the objective of developing research and advocacy skills in aspiring lawyers with special emphasis on Intellectual Property Rights and promoting knowledge of this emerging field of law. Since its inception in 2016, CIPRA has been executing various activities in furtherance of its goals, which includes encouraging research in every area of the subject, promoting and spreading awareness about IPR among students and public at large with various practical approaches. It actively involves students with different workshops, competitions, discussions, and debates. In the span of less than a year, CIPRA has combined valuable work and contributed to the various communities of society and to the forum of Indian IPR, especially with regards to Geographical Indications.

ABOUT THE EVENT

Date: 22nd March, 2020

The National Symposium on Intellectual Property Rights “Changing Dynamics of IP for Development” will seek to reach students, professionals, and academicians from all over the country.

THEME

Changing Dynamics of Intellectual Property for Development

Intellectual property is both a means and result of development, and a well-balanced IP system is the need of the hour. The changing dynamics of IP witnessed in the last decades require revisiting the existing legal regimes and to bring them in tune with the developmental agenda both nationally and internationally, in context of each of the different intellectual properties.

SUB THEMES

1. Artificial Intelligence and IPR
2. Patent and Technology Transfer
3. Geographical Indication and Protection of Traditional knowledge
4. Copyright and related rights
5. Interface of Human Rights and IPR
6. Business and IPR

CALL FOR PAPERS

CIPRA invites research papers for the aforementioned themes for presentation at the National Symposium. The sub-themes are merely suggestive and not exhaustive in nature, and participants may go beyond the sub-themes for their research.

Selected papers shall be published in the form of a book with an ISBN number.

TECHNICAL SESSIONS AND PANEL DISCUSSIONS

The symposium will consist of panel discussions cum workshop by knowledgeable and eminent enthusiasts in the field of IPR to discuss both its legal and practical aspects. These panel discussions shall revolve around major themes in the field of IPR.
